What a wonderful time we had!

This hard working precious and valuable team of warehouse volunteers are so vital to the OTT operations.

Thanks to friends and supporters like Art and Carolyn Webb, OTT has been doing God's work for decades.

OTT has been busy shipping teaching materials to Kenya and beyond.

Meet Beth Main, Our newest member of the OTT team.

We have been blessed to have an intern from Heritage Bible College work along side of me the past 5 months. **Cindy Phillips** of Stedman has helped get all the training manuals of Every Nation Education scanned into the computer and many other time consuming projects. She hopes to join our ministry in the near future. Thank you Cindy for being such a blessing to both OTT and Every Nation Education (ENE).
